Hey everyone! Katie St. Ives here. I betcha I know what you're thinking, that I'm almost too cute and innocent looking to be posing nude for pics and making porno movies and stuff...LOL.

almost! Here are a few things you should know about me right off the bat: first of all, I sleep naked. Second of all, I LOVE my bush! I'm very proud of it :) And thirdly, I'm A SLUT FOR PENIS!!!

LOL, it's true! I love my job! I'm doing what I enjoy and have fun with and am very happy with myself :) Best part of all is that I get to get off knowing I made someone's day just a little brighter! *devilish grin* Sex is, and should be, fun! I want everyone to have as much fun as I am having... :) That's what I strive for. But oh my gosh oh my gosh, are you going to bust a nut over this issue of LOLLYPOPS! Just flip it open a little bit further and you'll see pig-tailed cutie pie Chastity Lynn slipping a fingertip inside her tush, super sexy Sara James lying around and showing off her smokin' bod, yummy yummy Monika James keeping herself entertained with two toys, and me getting dirty. :) Plus I have bunches of other tricks and hot chicks under my sleeve for you all. :) Can't wait to show them—I'm so excited! My pussy's ready...are you ready? This is sure to be one of the best LOLLYS yet...it'll leave your schween feel'n good and put a smile on your face...a VERY BIG smile LOL. Hope you all enjoy it, 'cuz this one's for you!

JUST RIGHT

Dear **LOLLYPOPS**: Your April issue was spectacular. Not too sweet, just right! Thanks for the awesome girls like Madison Parker doing two guys and Kita Zen. I swear I am now going to buy all their videos! My favorite of all is Trinity. Please show more of her. I like all of your girls, especially the ones I have never seen before and will be cumming back for more.

—Kevin in FL

Tara Lynn

SHE KNOWS HOW TO CUM

Dear **LOLLYPOPS**: Ever since I saw Tara Lynn Fox in your December issue I've had a perpetual boner. What an amazing girl! She's gorgeous! Outstanding! Amazing! What I wouldn't give to spend just five minutes inside her... I would eat that spectacular pussy out so good that she'd cum for hours and hours. She looks like a girl who knows how to cum I'll tell ya! Tara Lynn, I am your servant! Just tell me what to do and I'll do it! Allow me to please you like no man ever has before! I swear you won't regret it!

—Douglas in WV

SWEET YOUNG SLUTS

Dear **LOLLYPOPS**: First let me start off by saying that I love your magazine, keep up the good work! I can't ever get tired of looking at the pussies of such sweet young sluts. Not me! I could look and look and look, I just wish my pecker could keep up! You know what I mean? I'm not so young myself anymore so things have changed a little bit. But I still know what I like and that's nubile little things posing with their legs spread wide apart!

—Rosco in MD

SNEAKER FREAK

Dear LOLLYPOPS Magazine: You guys (gals) are really starting to piss me off! Why? NO GIRLS IN SNEAKERS! At least not the right kind of sneakers... Two words: CONVERSE ALL-STARs!! To me, a chick in All-Stars is about the sexiest thing ever.

As I've told you before, bare feet, socks, stockings and high heels?? BORING!! When you people gonna get it? GIRLS IN SNEAKERS!! Just put a piece of white medical tape over the heel label and/or over the ankle patch if they're hi-tops and shoot away! How hard can it be? If I should be a "technical advisor" on one of these photos shoots, you'd publish one of the hottest sneaker-girl layouts, EVER! For the last time—girls in sneakers, Girls In Sneakers, GIRLS IN SNEAKERS!! Remember, not just any sneakers but CONVERSE ALL-STARs

—georgiasneakergirlfreak

NO HAIR DOWN THERE

Dear LOLLYPOPS: What are the real names of the girls in your mag? Most of their tits are OK. What's with the no hair down there? This one girl, her teeth are nice. They all got sots of dildos. Do they do each other a lot? I like when they have a cute smile. All of them are fuckable. Sometimes I see a real cutie pie! Most of them shave. What is up with that? I like the ones best that have

Grace

nice tits. Those ones can suck me anytime. Why do they shave their pubic hair a lot? Do they all wear panties often? What is the biggest cock they have had? Do they have lots of shoes? Do any of them sale their underwear? I want to fuck the girls whose nipples are nice and perky! Those ones can suck me (Yeah baby!) I'd like to suck their knockers too. How can I fuck them? I love to look at two pussies going at it. Girls sure do like dildos! They know how to use them on each other. Nice bodies, breasts, smiles, teeth... Do they go to any nude beaches? Been nice writing to you. I'll close my letter now. Bye-bye.

Justine

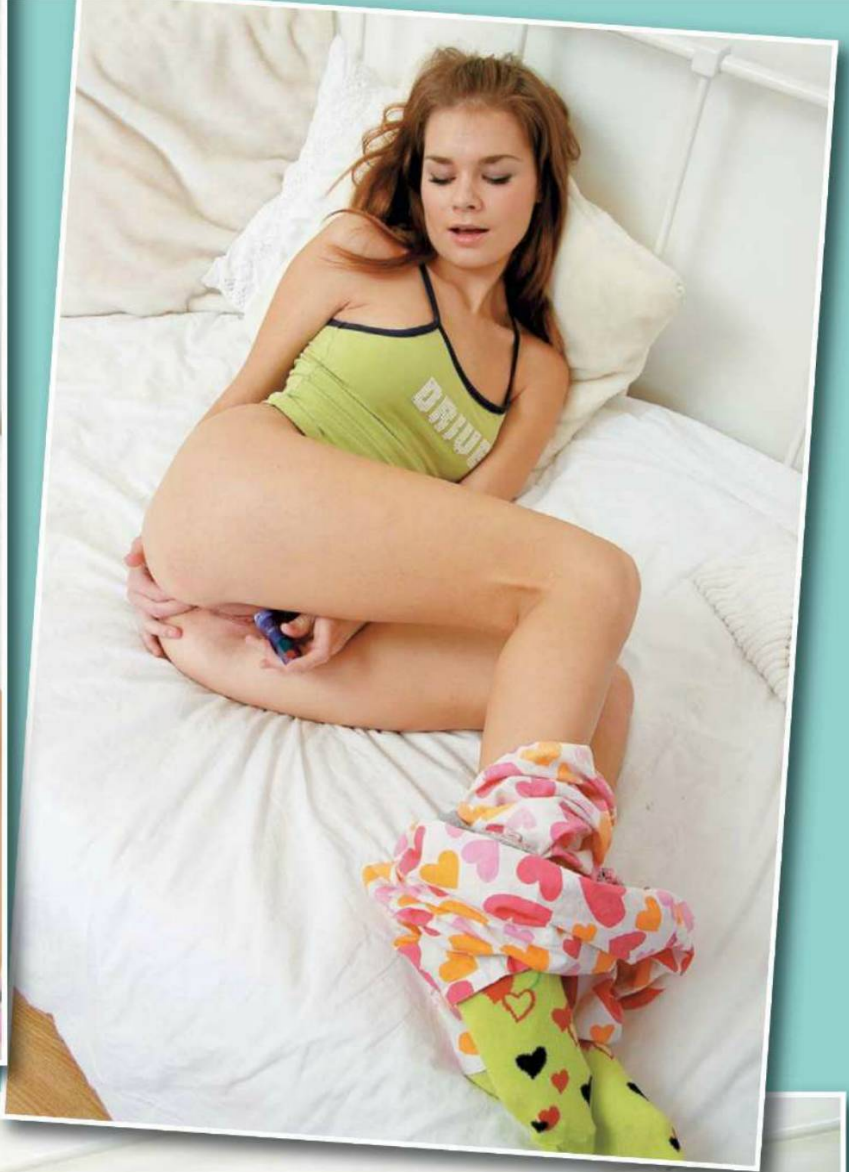

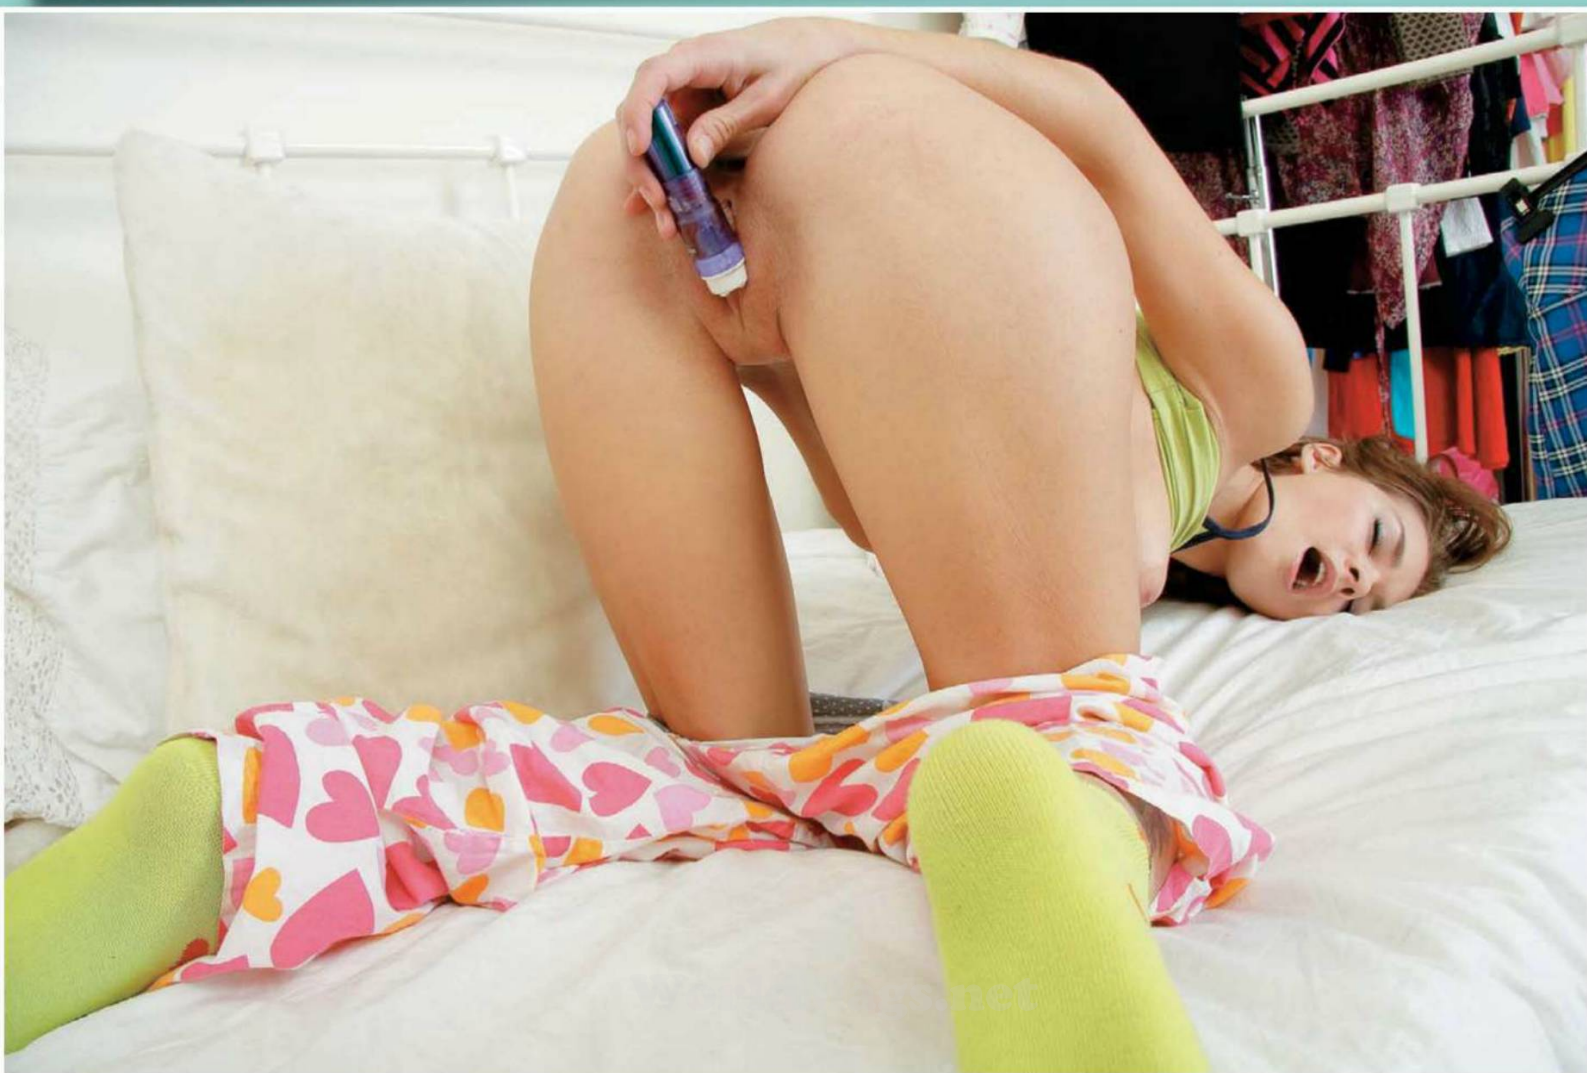

The other day I was doing it with my boyfriend when suddenly he popped his thumb in my ass. Just popped it right in! No warning, no nothing! At first I was pretty PO'd—I called him a douchebag and all that—but soon I realized that I kinda liked the feeling of his thumb up my bum and then I shut up so I could concentrate and enjoy it. It was sort of weird to have something stuffed inside both of my private places but when I came it was harder than I ever have before and the orgasm seemed to last forever! Now, whenever I'm by myself and I vibrate my vag, I've just gotta pop a finger in my back door or else I can't get off as good. The whole thing has made me realize how important it is to be open-minded—and open-holed, too!

This is Rihanna Samuel and I am finding myself very horny! I'm a simple girl from Czech Republic with simple wishes... I want my pussy to be satisfied and I do everything to reach it! I love the cock and the pussy and I am sure know very well how to please both. Today I have cock to play with so everything is set for some fun and a lot of satisfaction. I use first my mouth on the cock to get things started. Then I push it strong into my tight pussy and enjoy how nice it fits. What a good feeling I have with this thick cock stretching me open wide. I do not want it to stop! Eventually my friend cannot take the sensation and must prepare to explode his cum in my face. I join his explosion so that we are together when both of us have orgasm! 🍭

Teen Motherfuckers

Vouyer Media

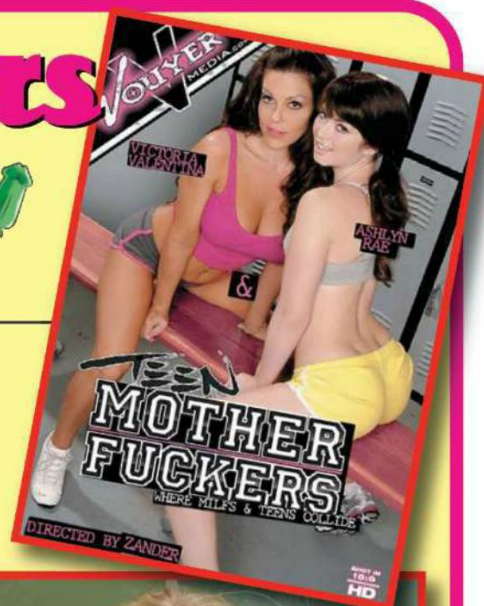

154 minutes. Directed by Zander

SLUTS: Francesca Lé, Shayla LeVeaux, Racquel Devine, Nikita Von James, Skyla Paige, Ally Kay, Lina Paige, Kandi Milan.

Most snotty teenage brats talk back to other people's mothers. But not Vouyer Media brats. These pretty young things keep their baby button noses wiped free of mucus and their mouths sparkly fresh. That's because all the surplus moisture in their bodies belongs one place, and one place only, and that's leaking out of their perfectly trimmed, perfectly pretty, little teen cunts. And those perfect little teenage pieholes? They stay tasting sweet because they soon will savor the flicking, licking, icking, sticking tongues of a predatory cougar, come prowling to prey on the supple of flesh of a tender teen kitten! Grrrr, baby! Grrrr!

Though minimal in theory and even more minimal in practice, *Teen Motherfuckers* is as good a concept for cockles porn as any we've come across. Take a few slutty newcomers yet to be fully corrupted into money-grubbing haridans by the

WorldMags.net

sleaze-grinding business of pornographic filmmaking. Match them with veterans of countless vaginal adventures, like '90s superstars Francesca Lé and Shayla LeVaux (back for another round of rump-railing good times). Then let them cheerfully read aloud selections of William Blake's *Songs of Innocence and Experience*. Or not. Actually not. It's more like, let the gals try on some costumes, grab some props, and throw together a makeshift backdrop before which a scenario unfolds—a scenario that is a mere pretense for sizzling woman-on-girl action.

You had that figured out, right? We knew you were sharp. But we also know that any parent of daughter who has recently achieved the age of consent must watch this video. It's practically a public service announcement, a warning. Whether your teen goes to the gym to work out, the doctor's office for a pelvic exam, or, well, just about anywhere, to do anything, she's going to wind up banging a MILF.

Pity poor Ashlyn Rae, whose futile

attempt to fortify her young muscles with some exercise is thwarted by voracious she-cat Victoria Valentina. One olive-skinned brunette's puffy B-cups do battle with the Latina spitfires heavy handfuls as generations unite gynologically. Francesca Lé, one of our all-time favorites, is on a mission of mercy when she probes the lady parts of trusting nubile Skyla Paige. Yet, Dr. Lé seems to require little more than her fingers and greedy, slippery tongue to diagnose an advanced case of horniness in the readily compliant teenager. Bleach-blond hussy Nikita Von James breaks in the willing but unschooled Kandi Milan, and selflessly offers up her holes as practice targets for the adolescent's questing tongue. LeVeaux, whose eyes yet gleam with the hunger of an untamed feline who can never be caged, pounces on Ally Kay, a petite blonde babydoll whose eensy-weensy tits look like mosquito bites, but are bite-sized morsels of mammary deliciousness to the mommy-whore.

You think it's the crusty old perverts who hang out in 7-11 parking lots who will kidnap your sexually budding freshman coed, but no...no. Those pathetic creeps are merely a decoy. The real danger stalking America's teen fuckholes are America's mother teen fuckers! Vouyer Media is to be applauded for getting the word out, before it's too late.—Bat Canard

Grass Monkey

by Nicole

For my eighteenth birthday of course I wanted EVERYthing. What girl wouldn't? So after I untied the fat ribbon on my brand new super-cool Vespa scooter that my parents gave me—Sunshine Yellow, just like I wanted—I motored it over to the other thing I most wanted: Eddie.

Eddie's a few years older than me and he manages this funky auto repair shop on the way other end of town. I call him my Grease Monkey, which he doesn't mind one bit. We've been friends for a mighty long time but not yet the kind of friends I really wanted to be. But this birthday, I was determined to fix that situation for good.

I drove up just as his shop was closing and the other mechanics were saying their goodbyes, which was perfect timing on my part, I must say. I

set the Vespa up on its center stand in one of the empty auto stalls, right by where Eddie was putting away his tools. Then I posed on my new scooter for him. He kept looking over every once in a while so I knew he was noticing but I think he wanted to make sure all the other guys were absolutely gone before he let on that he was really interested. If you know what I mean. At least I hoped that was the reason he was delaying. I mean, it would be a real tragedy if he wasn't even interested—jeez!

"Nice wheels," he said as he finally turned toward me and folded his arms over his chest. His coveralls were stained with grease and he had black smears all over his arms and hands. Maybe some girls don't think that's hot but I sure do. That thick bicep, I-can-fix-you-up-real-gooooood kinda thing really gets me. Especially since I'm

all blonde curls and pedicures, squeaky-clean today in my cut-off white t-shirt and slim-fit capri pants. The total opposite of him.

I squirmed on the smooth black leather seat of my scooter, imagining all the things I wanted to try with his sexy, filthy self. "It's my birthday."

"Oh yeah?" He raised his brows. His eyes kept sneaking down to check out my pert little butt perched on the seat.

"My eighteenth birthday, as a matter of fact." I re-settled my ass on the cushion, tilting my shoulders down over the handlebars a little so I could more effectively show off that part he was obviously so interested in at the moment. I was dying to have Eddie be my first. I was desperate that he'd agree to it, so I sure wasn't beyond using ultra-obvious poses to convince him.

"You don't say." His voice was low and distracted and he sure was taking too long to come closer. So I decided to get

the ball rolling even more directly, just in case he had any doubts about the birthday present I wanted from him.

I lifted my t-shirt straight over my head and off. No bra. No barriers. My tits are a tad small but Eddie smiled big, then stepped over to a line of garage door buttons and tapped on a few.

As a bunch of garage door motors loudly ratcheted us into total privacy, he finally came a whole lot closer—thank you!

"I was hoping you would give me a present today," I prompted as I unsnapped and unzipped the capri pants.

I was about to step off the Vespa's floorboard and onto the cement to peel down those tight-fitting pants before I felt Eddie's large hands on my hips. From behind.

"And what sort of present were you thinking of. Exactly...."

His hands were surely a mess of grease and oil but he wasn't shy about smoothing both palms over my hips, cupping my ass cheeks, teasing very near the place I most wanted him to go.

"I—uh—really—really want you to..." I couldn't think, his hands felt so phenomenal, even through the fabric of the pants.

"Stay up there," he said and I looked back over my shoulder to see what he meant. I was kind of hovering in a standing position on the floorboard of the Vespa. Eddie was already edging a leg over and sitting himself on that meager Vespa seat directly underneath me. If I sat back down, I'd be in his lap. Which I decided was totally good by me!

He straddled the scooter with his long legs and began his

own unzipping process, quickly shrugging out of the top of the coveralls, shoving the baggy things down low on his hips. He still had a dingy t-shirt on but below that scrunched up bunch of grimy coveralls, and maybe some boxers in there too that he'd lowered at the same time, his thick rod was already fully bared and hard and angled almost straight up at me.

"Is this what you want for your birthday, sweetie?"

I exhaled, "Ohhhh, yeah!" and yanked down the waistband of my own pants, almost down to my knees. Just seeing that tool of his, all solid and thick like it was, made me heat up. I swear I could

feel my heartbeat in every part of me. I was about to push my pants down further but, before I could, Eddie turned my hips

chest and kept me from moving. One of his hands found a nipple and flicked and tugged and circled. Which drove me wild! The other descended, shoved a long middle finger between my squeezed together thighs from the front and began to massage my clit. Fast. I squirmed in his lap, still wanting more.

But the combination of everything—his rod thickly pulsing deep inside me, along with his expert fiddling with my breast and my clit at the same time—I swear I exploded in seconds. And as soon as I did, the very instant I felt all the clenching and thrumming of my orgasm around his rod, his hands went back to my hips and he stood up.

Straddling that seat, his own feet firmly planted on the cement floor, he pulled and pushed my hips up and back in a punishing pace, faster and faster. His rod slammed in and out of me like a piston, friction building upon friction, and with each stroke I felt like both he and I were exploding. Tiny little firecrackers going off again and again with each collision, with each slap of his hips against my ass. I could no longer tell if I was going to cum again or was already cumming a second time or a third because everything inside was fired-up and surging at once.

When his hands reached—one hand encompassing a breast and the other curling up over my shoulder—I was fastened against him as tight as he could hold me. I felt it then, his rod getting almost larger in circumference inside me. His breath rushed out into my ear as he shot up into me. Deep and in rich, hot pulses.

When we both had air enough in our lungs to speak again, he still had me locked against his chest and his rod semi-hard inside.

"So it's your birthday..." he managed, thoroughly out of breath.

"Yeah." I let loose a small laugh.

"Seems to me more like you gave me a present instead of me giving you one." He laughed too. "Maybe next time I'll go slower."

"Maybe."

"Maybe not."

"Maybe not..." Another laugh escaped me. It sure was awesome to finally be eighteen! 🍭

and guided my naked ass to do precisely what I'd just been thinking of—to sit in his lap. I felt the heated tip of his cock graze over my cheeks until it lined up in that indentation between my thighs. His hands had hold of each ass cheek, his fingers separating my crack until I could feel the tip right there! Nudging all my wetness. I wanted to scream, I was so ready.

He paused me then. "Lower slowly. Don't rush it, okay?"

I'd already set my own hands to gripping the Vespa's handlebars. My back was arched slightly, my feet solid on the floorboard, my legs pinned together by the half-lowered pants. I edged back and down little by little, letting the fat tip of his cock stretch me. And stretch me. Slowly more and more.

"That's it..." he was saying. He was so thick and it felt so odd and so incredible at the same time. I even felt it when his cock poked past my barrier. That almost-snap of full permission. After that, it was like he couldn't go slow anymore because his hands locked onto my hips and jerked me down into his lap in one fast plunge, until he was deeply seated inside. Damn, it felt awesome to have him so full and hard inside!

He was breathing fast and I was too. His arms then wrapped around my waist to still me. I wanted to bounce on him, have his rod fuck me over and over, but he held me back against his

Best Katie St. Ives movie or scene:

"Alice," directed by Erica Mclean
(Cheeky Monkey Productions)

LOLLYPOPS: Porn starlets come and go, but they say there's no girl like a Spiegler Girl. How did you become one and was there a secret initiation rite?

Katie via email: I met Mark summer of 2009 through Mike John and, no, there was no initiation to become a Spiegler Girl. He either likes you or he doesn't. It's a dog-eat-do world, you either got it or you don't.

Tell us about your tattoos.

I have exactly five tattoos. A butterfly on my left hip, "L.A." on my right side, a rose on my right shoulder blade, two blue hearts behind my ear and then "Daddy's Lil Taz" on the back of my neck. The rose stands for "unconscious beauty", the butterfly resembles my freedom,

KATIE STILVES

the hearts I just did for fun. "Daddy's Lil Taz" is because I am a daddy's girl. He referred to me as the Tazmanian Devil. I'm cute a little but don't make me mad. Then "L.A." I thought was pretty obvious... I LOVE L.A.! It's my home.

Favorite part of L.A.?

I have a few favorites, but if I were to narrow it down I would say Venice Beach, Hollywood and Sherman Oaks.

Fuck-me pumps or sneakers?

I would have to say fuck-me sneakers. Haha! I love sneakers and flip-flops! I honestly don't like wearing heels. They are cute, but not practical.

In the rare event that a girl reading this is contemplating a career in porn, how does she prepare for her first blowbang?

Well, how do I tell a girl who has never sucked off six guys at once to prepare for it? Hmm...first off, before jumping into something like a blowbang I would surely hope that the girl likes giving head. Haha!

Otherwise I really don't think that the scene can even be done no matter how you "prepare." You're going to have anywhere from three to ten hard dicks to suck and stroke at the same time. Just come to set with a positive attitude and be ready to work. Blowbangs can be a ton of fun! I feel like a kid in a candy store with all those dicks around me.

How did you spend your first big porno paycheck?

I bought myself a nice big meal and some new undies. I remember thinking that I couldn't recall the last time I had a good meal so that was my objective.

Top five directors?

Mike John, Erik Everhard, and Jonni Darkko is all I can think of at the moment.

During a scene interview you told Mike John that you were a "giver," sexually speaking. Flipping the coin, what would you like to be "given" when you're getting it on?

I love it when a guy grabs me by the back of my legs, holds me down and dives his tongue into my pussy. Or while he's fucking my pussy he sticks his finger in my ass and pounds me hard.

How did you pick your name?

"Katie" is a name I used when weird guys on the street would stop me and ask me my name and "St. Ives" I got from a bottle of lotion on set for my first scene.

What are the last five songs that you played on your iPod?

"Bad Girlfriend" by Theory of a Deadman, "Shooting Star" by Young Boss, "Back in The Day" by Ahmad, "Lying Through Your Teeth" by Head Automatica, "She Won't Let Me Fuck" by Afroman

Do you watch your own scenes?

I have watched a few of my scenes. I really don't like to watch myself on screen. I tend to overanalyze everything.

Do you watch anyone else's scenes?

If I am curious about a person in the industry or maybe if I know

who I will be working with I look them up and watch a few of their scenes.

If you could shoot the perfect scene, what would it be?

Manuel Ferrara, Derrick Pierce and James Deen would make me a very happy girl.

Sushi or Steak?

Sushi

Thong or Commando?

Thong

What's in your refrigerator?

Bread, ketchup, eggs, bananas, lettuce and refried beans.

Are you the typical hot L.A. babe who sizzles in the club but whose apartment is stacked with old pizza delivery boxes and pervaded by the aroma of catbox, or are you an obsessive neatnik who fills her bong with only the freshest Fuji Water and thinks her Dyson Animal is more orgasmic than her Hitachi?

I am somewhere in the middle. I'm not a neat freak, but I do like things clean. Organized piles. When it comes to my bong I can't remember the last time I cleaned the thing, let alone what kind of water I have in it. Oh, and my Hitachi is the center piece of my room.

If a guy with romantic intentions really wanted to impress you, he would....

Just be yourself. I love guys that are confident and that can make me laugh.

We know you're no stranger to schween, or to the Beer Chateau. What's your favorite beer?

Red Stripe or Corona :)

We know yours are natural, but on other gals do you prefer real but small, or fake but big?

I have appreciation for all types but if it really came down to it I love BIG, round, bouncy natural boobs.

BOSS & NATALIE

My rad friend Rose is like a total sex fiend. She invites me over to her place all the time and she'll say it's so we can watch a movie or have dinner or go shopping or something, but all we ever end up doing is fucking. It's okay by me, though, cuz Rose is hawt. Her blond hair and pale skin turn me on like crazy and her pussy tastes like magic. The last time I was over there she answered the door naked and led me by the hand to the bathroom where there was a bubble bath waiting. I stripped right down and hopped in with her, figuring why bother pretending we were gonna do anything else? Besides, Rose's got a sick tub—we both fit inside perfectly plus a couple of rubber dickies too. The only downside is that usually we fuck for so long the water gets cold! 🍬

A photograph of a person in a white bathtub. The person's legs are spread wide, and they are holding a large, red, realistic-looking dildo in their hands, positioned near their groin. The bathtub has a silver faucet and a showerhead with a flexible hose. The background is a tiled wall.

Ashlyn Rae

On the Set of
WHALE TAIL 5

Article &
Photos by
**Jeff
Hubris**

Wow. Ashlyn Rae is 18. She graduated from high school early and began doing porn after living at home and exhibiting a lack of direction.

"After high school I was taking a year off and was just kind of hanging out at home," she explains.

"My parents thought that I just wasn't really trying anything in my life and that I was just sort of using them, you know? One day they came to me and told me I was eighteen and I had two weeks to move out, so I did. I needed to start something to get money so I started porn and I liked it."

Mom and Dad forced me into porn! No, not really. Everyone needs to be excited about something. Idle hands are the work of the devil. Now Ashlyn Rae has a plan to make money, go to school and find herself.

"I am going to do this as long as I can and do college for as long as I can and see where both of them take me. I want to get my business degree in fashion in the marketing and merchandising part of it and do porn as well."

So maybe mom and dad had a point. You have to learn the way of things. The porn industry is an excellent place to master important life lessons at a relatively early age. Ashlyn Rae is on track. If you don't have a rich benefactor to ease the financial burden and pave your way, yes, porn can help you realize your dreams.

Smash Pictures VP Stuart Wall chooses all of the girls for his movies and has hit it out of the park with Ashlyn. Holy shit! Director Kevin Moore asks her to find some jean shorts and a thong in her porn girl suitcase.

"This is a long running Smash series and it's the only one I haven't done," he says, "We've seen the whale tail a thousand times where the girls have the thong or some kind of underwear coming out over their low cut shorts or jeans or skirts or whatever.

This is a movie that centers around that specific fetish where you can see the thong and it's right up my alley because I have a huge panty fetish and I'm really into voyeurism so there's going to be a lot of that. I'm really into that creepy

"I do like my boobs. I won't get implants. Some people might need them because their boobs are too small or something and if they look natural it's okay but if they look too hard and too fake it's just not good."

"I would do a group thing if it was like another girl and a guy but I'm not really into too many guys. My first girl/girl scene was my first time with a girl. Some guys are good at eating pussy and some guys aren't, but most girls are pretty good so I guess the girls are better. I usually need a lot of lube because I'm kind of small. Until I started doing girl/girl I never realized how different one girl from another girl can be. The clit and just like everything can be really big. I have a really small one. I kind of thought that everyone was kind of like me until I got into porn.""

thing. I look like I'm a nice, Irish boy from Boston but unfortunately I'm sort of not. It's all Catholicism's fault! *It's your fault, Mom!*

Ashlyn Rae gets naked. Everyone agrees that she should never engage in a porno boob job. Luckily, she is also steadfast against it and is taking measures to preserve the juvenile quality of her rack.

"I always wear a bra even when I'm sleeping because I always have a fear of them sagging," she says. "I hate not wearing a bra. It just feels weird and plus I want them to stay up as much as possible. I don't want them to sag EVER!"

Moore shoots some pretty girl stills around the pool area. Sans clothes, Ashlyn is pristine.

"I was looking for flaws when you got your clothes off and there are none," says Moore. "It's all so beautiful I feel guilty."

The pick-up scenario involves Moore as the camera character perving on Ashlyn Rae while Mr. Pete circles in for the kill. She's a friend's stepdaughter.

"I'm talking from behind the camera and we're

watching her for a bit," Moore says to Pete. "Maybe you could get her to like flash you and get her to do something and then you just seduce her. You have to figure out a way to get her naked. Just start bullshitting her. Be suave."

The scene will take place in a bedroom overlooking the pool. Moore shoots Pete carrying Rae into the bedroom Fabio style. He shoots a BJ and then the sex starts.

"This shit is great," says Pete, "I'm going to have to pace it out. If I don't it's going to be a short scene."

As we know, ALL pussy is fine, but for a decorated porn dude like Pete, who has based his career upon successful load management, to admit uncontrollability is saying something about the quality of the vagina support system in question. This is a porn real life moment.

"Look in the camera as much as possible, especially in like doggie and stuff," Moore says to Ashlyn Rae. "You have those beautiful eyes, you're getting banged real hard and it's hot." She leaves her shoes on throughout the scene and chooses the "jeik to pop" option after all the positions have been covered.

"To try anal I would have to be really comfortable with a guy in my personal life. And if I liked it I might do it again but I would really have to like the guy. I've never really had a boyfriend. Last year around this time I had a boyfriend for like three weeks. That's about it."

Pete's effort to retain his payload until needed, under pressure from an exceptional vaginal environment, works and he delivers on cue. Civilians lie about sex but porn people don't. If you can't fuck there is usually no reticence about telling the truth. Porn people don't care about hurt feelings because if you're a lame bangout you deserve no quarter. *We fuck. This is what we do.* At best, a post-fuck silence is the most polite disparagement. Mr. Pete knows the difference and decides to speak out about Ashlyn Rae's sexual talent. It's an unsolicited observation about the mysterious X-factor that lies between the real thing and a fake.

"She's born for porn," he says without emotion, "It's something you're born with."

"Porn has opened my eyes sexually to a lot of things. I'm more sexual. I was kind of conservative and it surprised everyone when I started doing porn. So it opened up everything. I went from being a quiet shy person and now I am more myself, it's been everything good for me! I enjoy sex a lot more after getting into porn. I had never had an orgasm before starting porn, but it happened in my private life. It happened with a porn guy but I can't tell you who he is!

"I'd say the difference between porn guys and regular guys is that they're more experienced and they're definitely bigger, almost all of them! I can handle big but not too big, although I do like big cocks. I like to really feel it. I like missionary position the best. It feels the best for me. I don't like it sweet and sensual where you're making love to me. I like it rough. Not where I'm being slapped or choked but I like fast porn sex. I don't know why. When it's slow you can't really feel anything if it's too slow. I like something that gets in there and gets the job done. I want to feel like I'm being fucked!"

"I
am Irish,
Scottish, German
and half Mexican. My
actual hair color is red,
this is dyed. My eyebrows
are brown, my hair is
naturally auburn and
my pussy hair is
black. So nothing
matches!"

"I really don't have any hobbies. I'm kind of a boring person. I like to go shopping and go to the beach and hang out with friends and stuff. If I'm not working I'm usually just at home being boring. After two days of being off I just get so bored with myself. All my friends love that I'm doing porn. They all found out. No one's given me any negative comments and always ask a bunch of questions. I haven't got one negative thing about it! And all the guys want to fuck me now! My personal life hasn't changed much, I'm not a big slut outside of porn, there's only one guy that I will fuck occasionally in my real life. Plus I know the porn guys are clean. I don't want to do just a bunch of random guys and end up with something."

I can tell by the way people look at me that I'm a sexy girl. Every time I'm on the bus I end up surrounded by a bunch of dudes playing pocket pool. At first it creeped me out a little but I'm used to it by now. In fact, now I sorta go out of my way to encourage it. I like wearing super short skirts in public to show off my smooth long legs and I always wear high heels because they make my ass look incredible. I want that dude walking behind me on the sidewalk to stare at it twitching beneath my clothes and imagine what it would be like to grab it tight and hold it in both hands while he buries his face in my crotch. And I never wear a bra. Ever. I like the way my nipples look poking up all hard beneath my shirt. It sure is great to be me. 🍭
